Commission Seeking Help In Deciding Public Road Issue

The Coffee County Commission met in regular session on Monday, Sept. 26, at the Courthouse in Elba and agreed to contact Alabama Attorney General Bill Baxley to find out how long a road must be abandoned before it is "dead" (no longer a public road).

The question over what constitutes a public road came about when County Engineer Leslie Mullins told the commission that a county resident is seeking to have an abandoned road reopened. The resident, who has contacted a lawyer in the matter, reported the road was once a "public road," and that it still is.

Mr. Mullins told the commission he could not find the road because it is apparently grown over with grass and weeds. "I have a 25 year old aerial photograph that shows the road," said Mullins. "but a tree can grow mighty big in 25 years."

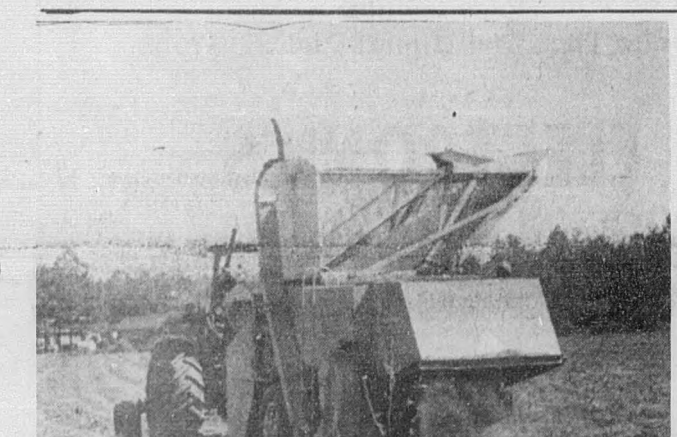

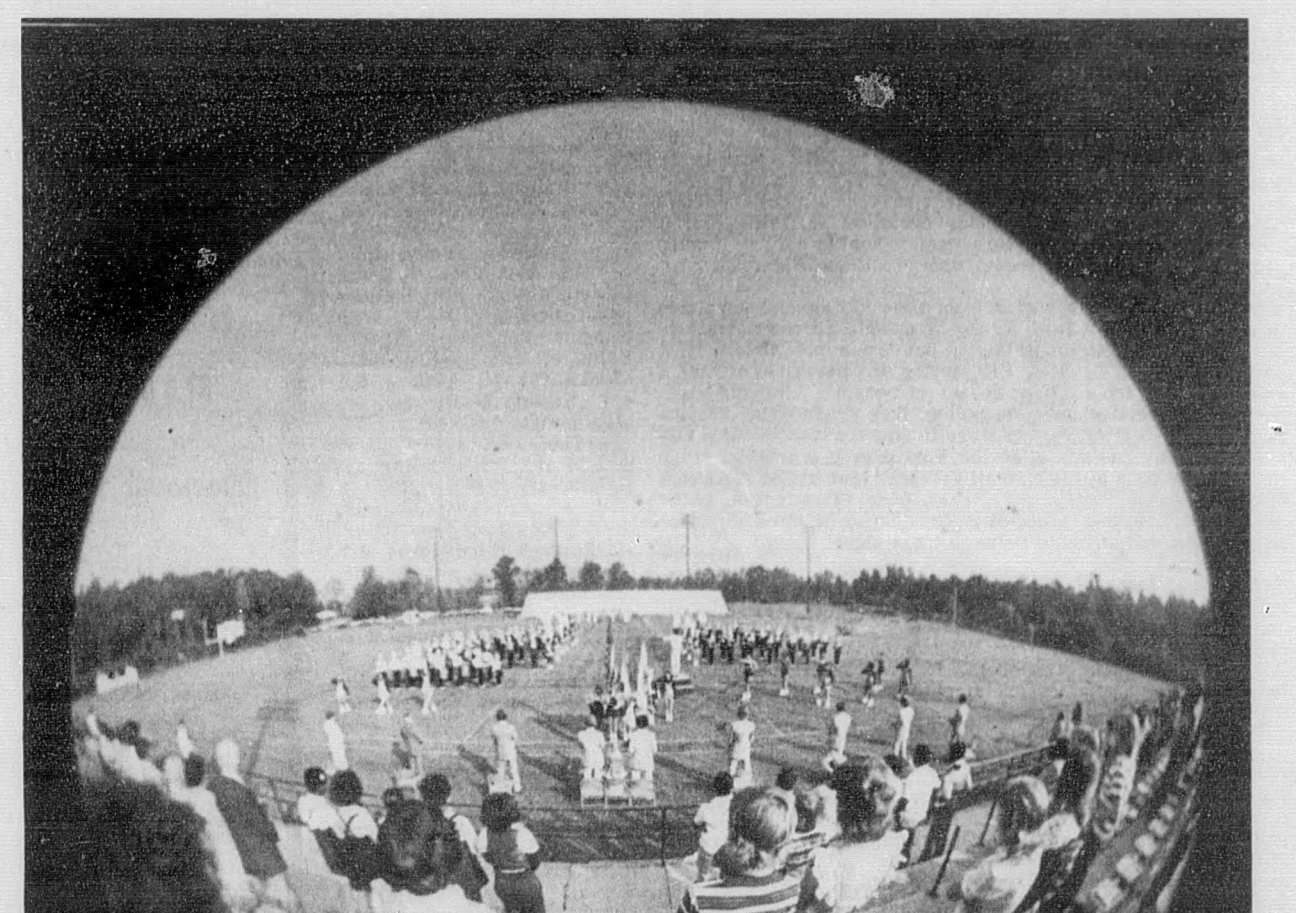

After a brief discussion, the commissioners agreed the only way to end the problem

would be to seek the legal opinion of the Attorney General. The County Attorney was instructed to contact the Attorney General, and report his answer to the commission.

The meeting, the last to be held in Elba until January, began at 10 a.m. with all members present except Commissioner Don Smith.

Prior to the meeting the commissioners discussed the trouble of finding a parking space near the Courthouse. Many commissioners reported they had received parking tickets on meeting days, but made it clear it wasn't the tickets that displeased them, but the unavailability of parking space in the area immediately surrounding the Courthouse (where there are no parking meters).

Probate Judge James L. Sawyer began the meeting by reading a letter to the commission concerning the paying of jury bailiffs and explaining the responsibility of who must pay. The commission authorized

PTO Starts Year With Many Active Parents

A full house turned out Monday night for the first meeting of the Elba Elementary and Middle School PTO. The highlight of the meeting was an open house where parents were invited into the classrooms of their children to meet their teacher and to view the recent work of their child that was displayed in the rooms.

A new babysitting service, conducted by several parents under the leadership of Mrs. Grace Moore, membership chairman, was responsible for caring for a large number of children, where both parents could attend the meeting.

A report was given to each person attending the meeting outlining the plans of the Executive Committee and the people in charge of these various

GIRL SCOUTS WORKERS TO MEET IN ELBA

The adult volunteers of Elba's six Girl Scout troops will meet Monday night for the first meeting of the Elba Girl Scout Council. The meeting will be held at the Elba Elementary and Middle School PTO. The purpose of the meeting is to discuss the plans for the upcoming year and to elect officers for the council.

ConAgra Tells Of Expansion Plans

ConAgra, Inc. has announced that it has started on an expansion of its poultry complex headquartered at Enterprise, which will double the capacity of this operation by the fall of 1977.

ConAgra expects to finance the expansion with a \$25 million bond issue. The fourth annual Nolin Reunion will be held on Sunday, October 2, at the Pleasant Ridge Baptist Church near Victoria, Alabama.

Judge Gets Threats On Life After Troy Court Decision

Circuit Judge Terry Butts issued a ruling on September 12 in a very emotional lawsuit involving Sanders, Lead Company of Troy. The suit was brought by residents of the area and charged the company was damaging the land, people and livestock.

Butts ruled for the Lead Company, noting in his decision that the Alabama Air Pollution Control Commission had measured the air and found no violation of the law. Butts also noted that there was no law governing the emissions of the air of sulphur dioxide and sulphur trioxide.

The Elba City Council met Tuesday night in a meeting postponed from the week before. All members were present and voting.

The first item of business was to hear a word of thanks from Charles Jackson for drainage work done by the city and to ask for them to complete the job. He said the work they did had been helpful, but he needed more relief. He presented a petition signed by land owners in the area requesting the work.

Mayor Folsom briefly discussed a report from the Army Corps of Engineers on the Pea River improvement project. No action was taken on this however.

Dag catcher Avery Jackson was given an additional \$5 per week as expense money.

City Clerk Jack Prescott announced Wednesday morning that Elba had just received approval of a \$55,100 additional grant to operate the CETA-4 program. This is the project that has been in effect for several years to give employment to the unemployed.

Confessions Of New Senior

August 29, the very first day of a new school year at EHS, a new class of seniors swarmed in looking as if they owned the world. I can tell you that they're not as confident as they look. I, a senior, am just beginning to realize what being a senior really means. It means noticing how very young the new freshman class looks, and that the teachers don't seem quite so old and awe-inspiring as they once did. It's thinking of everything as the last - the last football games; the last class elections; the last times our class will be together as a group. Being a senior is like being on a roller coaster that's going too fast. I want to scream, "Slow down! I'm not ready yet!" Seniors are scared and confused creatures, but don't expect them to admit it. So when someone charges down the hall using the "Senior Strut," he's been practicing all summer. The Class of '78 is coming through!

Cheerleading Goal

Can you imagine how silent a football or basketball game would be without cheerleaders?

About the only time you'd hear some yelling would be when a player fumbled, or was about to score. The cheerleaders work hard in putting pep and excitement into the games and this year they're hoping that the routines and cheers they present to the crowd will encourage people to yell and cheer rather than just sit and watch the game. This year, they're working for total crowd participation.

Jr. High Student Council

Welcome New Students

Those first few days of school - did you find yourself walking fifteen miles of halls, only to find that you were going the wrong direction . . . or climb a hundred steps more or less - only to discover that there really isn't any third floor? Have you opened the wrong door and entered the right classroom at the wrong time? Did you find yourself in the wrong section of the right class at the wrong time? Have you become confused when you were to eat? Did you put on your gym clothes only to discover that you should have been in an English class? Have you already been caught imitating the principal, just as he appeared from absolutely nowhere? We all go through such trials sometime during our high school years, but perhaps 7th graders and new students seem to be especially plagued with such problems . . . and many others. But this year (and the years to come) will be filled with opportunities, privileges, restrictions, frustrations, fun, work, play, heartbreak - and the future that you'll be molding for yourself day by day. So, to the new students, you're now one of us, a part of our school and yours. . . . WELCOME

FOOTBALL IS FOR EVERYONE !!

What better way to spend a Friday night than to attend a Tiger football game? There's something there for everyone, from spectators to players. The fans never cease to cheer as the Tigers chalk up point after point, while coaches stand solidly behind their players, eying every move they make. We fans have it pretty easy just sitting in the stands watching the action, while our fearless players are sweating it out on the field. We might think that football is all work and no fun, but we soon found out otherwise, after talking to a few of the players. Here are a few statements they made on the question: "What do you like most about football?"

"Clipping"
"Winning"
"Touchdowns"
"The end of the game"
"Creaming 'em"
"Catching a winning touchdown"

Household Hints

***If you're out of cream and need some in a recipe, you can substitute 3 tablespoons of butter and 7/8 cup of milk for each cup of cream.

***If you're buying a new air-conditioned home, make sure the cooling equipment is the proper size for your new home and has a high energy efficiency ratio. Cooling systems with a high energy efficiency ratio use less energy.

***Your mobile home will look better and last longer if you practice regular maintenance. Extension housing and equipment specialists say consult your maintenance manual for specific instructions on how to wash or repair surfaces.

***If you're planting trees around your home, Extension foresters suggest planting deciduous trees - those that drop their leaves in winter. They provide shade for cooling during long, hot summers and allow the sun to warm the roof and walls of the house during winter.

***Spring flowering bulbs are hardy plants that need little care and they give color in your garden. Extension horticulturalists say planting bulbs in the fall -- late October and early November -- will give best results. Some good bulb choices for Alabama are tulip, narcissus, hyacinth, iris and crocus.

***A good way to use vegetables is in a soup or stew. Extension home economists explain that way the vitamins and minerals that dissolve in the water during cooking remain as part of the meal and don't get thrown out during draining.

Earth tones and gem colors set the mood at the Pilot Club Fall Fashion Show and Tea on Sunday afternoon, September 11.

Small fall flower arrangements adorned each table and a large orange and brown centerpiece sat on the serving table. These were provided by the Flower Patch. Pilot Club members served the many guests refreshments which were furnished by Pepsi Cola, Piggly Wiggly and Big Bear-Gayle White. Master of Ceremonies, introduced each model and described their clothing. The models entered from the stage and walked down onto the floor among the guests seated at tables. A brown love-seat and chair provided a background on the stage, which setting was provided by Skinner Furniture.

Fashions and models were: MARTIN'S - Doris and Kevin Mathews wearing pantsuits; Will Martin and Suzi Brunson in jeans.

KENWIN - Lorie Fudge in a blue jumpsuit, Susan Holderfield in a blue dress, Katie Rushing wearing a blue dress; Starla Whitehead in a junior jumpsuit and Todd McCall in a green jumpsuit.

DEVANE'S - Jackie Stinson wearing a blue skirt and blazer and a rust coat and pants; Carrie Jacobs dressed in a street-length dress; Mona Kelly wearing pants and a matching shirt, and Andy Bullard in a sweater and pants.

KLEINERT'S - Shay Smart wearing P. J.'s and Connie Clark in a flannel gown; WISE'S - Van English wearing denim and grey vest; Andy Bullard wearing a coat-sweater and pants; and Mike Asker in a white Saville Tax.

BARGAIN TOWN - Gloria Stewart wearing a sweater and pants; Audie Fudge in a blue suit; Phoebe Allen in a patterned dress; Victor Brewer a jacket and pants; and Sherrie Smart a two-piece dress.

MARY'S - Judy Free wearing a fur and dress and gingham and blazer; Mary Jo Hudson in a rose dress pantsuit and long dress; and Elaine Shirley in a rust pantsuit.

BRIDAL SHOP - Glenda Rainer wearing a denim gingham and vest; and Pam Smith in a lovely white bridal gown.

MIRACLE FAIR - Barbara McGuire wearing a long white gown and black jumpsuit; Jesse Taylor in a street-length dress and Cynthia Holderfield in a pants suit.

PANTS PLUS - Donna Johnson dressed in denim skirt and vest; and Velvet Hoover in junior denim pants.

Some of the jewelry worn was selected at the JEWEL BOX.

Amoretti Bullard, MERLE NORMAN STUDIO, and Estora Moss - LUIZER COSMETICS, helped the models with their makeup.

An exciting musical intermission was provided by Lynn Hudson, Kenneth Bryan and Judith Butts. Door prizes were also given after the intermission.

CLASSES REUNITE

CLASS OF '72

The Elba High School graduating class of 1972 held its five-year reunion Saturday, September 17. The scene of the festive occasion was the Elba Country Club which was decorated in the class colors of burgundy and white. A delicious barbecue meal was enjoyed by the approximately 75 guests. Afterwards the guests danced to disco music performed by J. J. Jackson of Station WOPF in Dothan. Classmates attending the affair were:

CLASS OF '42

The 1942 graduating class of Elba High School held their second class reunion this past weekend. The first reunion was held in 1972, and as a result of the enjoyable experience they shared, another reunion was planned. This year 21 members came from six states, bringing wives and husbands with them, to join the planned festivities. After riding in the homecoming parade, the group had supper at Holley's Cafe and attended the Elba-Dale County football game.

Returning to Holley's for coffee and doughnuts, they were joined by friends from other classes for an hour or two of reminiscing and catching up on current news.

Tigers Celebrate Homecoming, Blast Dale County 21-0!

Majorette Sharon Grimes performs with Marching Tigers during coronation activities Friday morning.

Dale County runner Dennis Pierce (30) is stopped by Tiger linebacker Greg Eilenburg (54). Coming in to aid are Jamie Hudson (70) and Jeff Scarbrough (65).

Dale County's Dennis Pierce is dragged down by Elba's Q. P. Carpenter (63) and Gary Bradshaw (80). Looking on is Elba's Stanley Coleman (81).

The Elba Tigers gave a large homecoming crowd plenty to cheer about last Friday night when they blasted the Dale County Warriors 21-0 in Tiger Stadium.

The win ups Elba's record to 4-1, while the loss drops Dale County's chart to 3-2.

Dale County received the opening kick, but fumbled on their first play from scrimmage, and Elba's Larry Phillips pounced on the loose ball to put the Tigers in business at the Warriors' 41 yardline.

Larry Phillips ran for three yards on the Tigers' initial play and added 5 more yards on a run following a 5 yard scamper by Johnny Dyess. A fumble lost five yards, but Tiger quarterback Ken Martin came right back with a 14 yard pass to Keith Brown. Dyess notched the first down on a 3 yard run to the Dale County 17 yardline.

Four plays later Johnny Dyess bulldozed over from one yard out and Elba had the lead

6-0. Ken Martin kicked the extra point, and with 6:24 left in the first quarter, Elba owned a 7-0 lead.

The two teams swapped fumbles on their next possessions, and following a Dale County punt, Elba had the ball on their own 40 yardline.

Larry Phillips gained 5 yards on the drive's first play, and on second down, Johnny Dyess raced 55 yards for a TD! Ken Martin again booted the extra point, and with 2:25 remaining in the opening stanza, the Tigers' lead was up to 14-0.

Dale County drove to the Elba 30 yardline on their following possession, but was stopped on a 4th down and 3 situation when Q. P. Carpenter nailed Warrior fullback Dennis Pierce for a one yard loss. However, the Warrior drive was given second life when Elba fumbled the ball away on their next play.

This time Dale County

moved to a first down at the Tiger two yardline, but again were turned back by the stubborn Elba defense.

The half ended moments later with Elba clinging to a 14-0 lead.

Neither team could mount a sustained drive in the third period, but early in the final stanza Elba's Stanley Coleman recovered a Warrior fumble at the Dale County 15 yardline.

On the Tigers' first play, Larry Phillips swept the left side and rammed untouched into the endzone. Martin's extra point was again true, and with 11:34 left in the game, the Tigers led 21-0.

Dale County threatened to get on the scoreboard late in the game, but Elba defensive back Keith Brown ended the threat by intercepting a Warrior aerial in the endzone with only 11 left on the clock.

The crowd counted down the closing seconds as Elba celebrated their big 21-0 win!

This week I'll have to tip my hat to the Brantley Bulldogs again! Coach Mike Sasser's team remained unbeaten last week by routing Laverne 35-7.

TIGERS WIN HOMECOMING TILT
The Elba Tigers celebrated homecoming with their big 21-0 win over the improved Dale County Warriors.

The Tiger defense looked much improved, and might just be on the verge of developing into a powerful unit! The goal-line stand after Dale County had the ball first down and goal at the Elba two-yard line was really impressive. The Tiger defenders stopped the Warriors for four straight losses, and after the goal line heroics, never let the visitors smell the scent of pay dirt.

Larry Phillips and James Smith passed some good looks on defense, as did Greg Eilenburg and Russ Wood. Q. P. Carpenter was just too quick for the Dale County center, and gave the Warriors fits all game long. Q. P. also recovered two fumbles, and "introduced" himself to the Warriors' quarterback late in the game before retiring for the night!

Offensively, Elba continued to run well, but also continued to fumble the ball entirely too much. Johnny Dyess has impressed me all year with his hard-nose type of running, and turned in another excellent game Friday night. At the midway point in the season, Johnny has rushed for 415 yards in 57 carries for an average of over 7 yards a carry.

Larry Phillips ran well last week, and looked like his "old self" on the 15-yard touchdown run. Maybe Larry is getting ready to break loose and notch his first 100-yard game for the season. Thus far, Larry has gained 257 yards in 66 carries for an average of 3.7 yards a carry.

James Smith gained 50 yards in only 6 carries last week, and continued to prove he is a good runner for the season. James has rushed for 376 yards in only 45 carries, an average of over 8 yards a carry. James gained 286 yards in the opening two games, but since then has carried the ball only 17 times! Maybe they're saving him for the remaining five toughest! Elba must have a case of terminal fumbles. The Tigers continued to fumble the ball at an alarming rate, and I'm afraid the bobbles will catch up with them in the upcoming big games! However, the Tigers are 4-1, and could be headed for their best record in 4 years. I hope so!

GO TIGERS!

PREP ROUNDUP
Kinston was upset by Louisville last week 15-12, and the Dogs let their record slip to 2-3. The Bulldogs still have two big games left against their "county" rivals -- New Brockton and Zion Chapel.

New Brockton's record slipped to 2-2 when they lost to Wicksburg 30-0. The Gamecocks' coach Jim Murphy said his team felt a squad that was "physically superior." I guess that means they just got whipped!

Coffee Springs won their 8th straight game by blasting Houston Academy 20-4. The Golden Bears are headed for a playoff clash with the "Big Green" of Brantley!

Coach Champion's Morgan Academy team upset its record to 4-1 by dumping Hooper Academy 35-14. It seems that Coach Champion is still winning! But that is certainly no surprise.

Z.C. Rebels

Fall To Long

16-12

The Zion Chapel Rebels lost their third straight game last Friday night when they were defeated 16-12 by the Long High Rebels of Skipperville.

The loss dropped Zion Chapel's record to 1-3, while the win left Long with a 3-1 state.

Long received the opening kick and promptly drove downfield to paydirt. The score came on a 12 yard run by Houston Davis. The two-point conversion came on a run by David Warren.

Zion Chapel received the ensuing kick, but held the ball for only two plays before fumbling. Long regained possession at the Z.C. 35 yardline, and wasted little time in upping their lead to 16-0. The touchdown came on a 4 yard run by Warren, and Davis added the two-point conversion.

The stunned Rebels began playing ball in the second quarter, and drove for a score to cut the Long lead to 16-6. The tally came on a two-yard run by Leslie Husey.

At halftime the scoreboard read: LONG 16-ZION CHAPEL 6.

The Rebels took the second half kick, but saw their half kick, and began marching hopes of a win die when Long toward the Long goal line only to see the scoring drive bog down at the 15.

Jimmy Taylor and Rayvon Boyd rushed for 51 yards to lead the Rebel attack.

The Rebel defense completely shut-down Long in the second half, and scored a touchdown of it's own to cut the lead to 16-12. The second Z.C. tally came when linebacker Lee Shepard intercepted a pass and rammed 66 yards for a TD. The two-point conversion failed, but the Rebels were back in the game, trailing only 16-12.

Zion Chapel began a drive late in the game, but saw their half kick, and began marching hopes of a win die when Long toward the Long goal line only to see the scoring drive bog down at the 15.

Jimmy Taylor and Rayvon Boyd rushed for 51 yards to lead the Rebel attack.

The Rebel defense completely shut-down Long in the second half, and scored a touchdown of it's own to cut the lead to 16-12. The second Z.C. tally came when linebacker Lee Shepard intercepted a pass and rammed 66 yards for a TD. The two-point conversion failed, but the Rebels were back in the game, trailing only 16-12.

Zion Chapel began a drive late in the game, but saw their half kick, and began marching hopes of a win die when Long toward the Long goal line only to see the scoring drive bog down at the 15.

Tigers Brace For Power Enterprise Attack

"There's not much you can say. Nobody has given them much of a game yet, and I just hope we can stay on the field with them."

Those were the words of Elba Head Coach Mack Wood when asked about the Enterprise Wildcats, the Tigers' opponent this week.

"They have a good offense," stated Wood, "and they play a lot of people. They line up in a wishbone and just come right at you. The Enterprise wishbone is power oriented, which means they just run right at you and dare you

to stop them."

"Defensively," said Woods, "they are real big. They put six men at the line of scrimmage and they are tough!"

"For us to have a chance, we'll have to stop their running attack, and we'll have to move the football on offense," said Wood.

In closing Wood stated, "When they come at us, we'll just have to get down low and hold on to the grass. However, if you play good and the other team plays bad, anything can happen."

The Elba injury list includes: Don Bradshaw, definitely out with a fractured leg; Mack Davis; Russ Wood, a badly bruised leg; Jeff Bontwell; and James Smith.

Looking back briefly to the Tigers' 21-0 win over Dale County, Coach Wood said, "I'm very proud of the win. I just wish we had more time to enjoy it!"

"The offense played better," said Wood, "and the line did a better job of blocking. I think the defense grew-up a lot, and overall I feel we played real good."

Enterprise Brings 5-0 Record Into Clash With Tigers

The Enterprise Wildcats are known statewide for fielding strong football teams, and this year's squad has done nothing to tarnish that tradition.

The 1977 Wildcats boast a 5-0 record and are ranked fourth in the state among Class 4A teams. The wins have come over Ozark, Selma, Geneva, Milton, and Holt. In the last three outings, Enterprise has outscored its opponents 90-0 in the first half of play.

Despite the five wins, Enterprise Head Coach Bill Bacon insists he doesn't know how good a team really is.

"I don't really know how good a team we've got," said Bacon earlier this week in a CLIPPER interview, "we've got the toughest part of our schedule left to play and if we lose a couple of games, I guess we'll have to say we didn't have that good a team."

"Offensively," reported Bacon, "we have played real well. We run out of a wishbone formation, and have a ball control type offense. Our offense helps the defense because it doesn't allow our opponents to have the ball very much."

Bacon reported the Wildcats have nine starters back on offense from last year's state playoff team. ("Defensively," added Bacon, "we have played well considering we only returned four starters. The offense has helped the defense by keeping them well rested!")

Turning to Elba, Coach Bacon said, "Elba has a good team, and is having a fine season as their 4-1 record indicates."

"Elba has a good set of running backs as any team in the state!"

"I'm expecting a tough football game," said Coach Bacon, "and I know we'll have to play our best to win."

The cross-county rivalry is still there," added Bacon, "and our boys are real excited about the game. We feel it's a big game, and of course, it is for the County Championship."

Game time Friday night is 7:30 in Enterprise.

the past two years," said Bacon, "but that's because he isn't having to do all the work. If he ran the school as he did in the past he would have his usual super statistics."

Both Johnny Dyess and James Smith have been running real well and are breakout threats everywhere they touch the ball."

added Bacon, "The young Ware boy is also a good back, and when you put them all together you have as good a set of runners as any team in the state!"

"I'm expecting a tough football game," said Coach Bacon, "and I know we'll have to play our best to win."

Lee Elder, who has taken more golf money out of Pensacola than any other touring pro, has become the third former champion to log in for this year's Pensacola Open, to be held October 27-30 at the Pensacola Country Club.

Elder heads the latest group of entrants that includes Doug Ford, Sammy Rachels, Lon Hinkle and Bob Wynn.

The 43-year old Elder reached the magic \$100,000 plateau in winnings last year, and won the Houston Open. Elder has cashed checks totaling over \$56,000 from his appearances in Pensacola.

Ford, now in his 28th year on the tour, owns 19 tour titles including the 1955 PGA crown and the 1957 Masters. Ford won the Pensacola Open in 1958.

Rachels, runner from DeFuniak Springs, is in his second full year on the tour after an outstanding amateur career.

Hinkle, the loser in a play-off to Ed Sned in the Tallahassee Open, has logged six "Top 10" finishes this year. Hinkle, a long driver, should rank among the favorites in this year's event.

Wynn is coming off his best year as a pro. Last year he banked more than \$76,000 on the strength of a win in the B.C. Open.

Other early entrants include: Perry Leslie, a four year pro from Springfield, Mo., Carlton "Sluggo" White, a pro since 1972, Babe Hickey, an 11 year vet with two tour titles, Pete Brown, twice the Negro National Champ, Gary Wintz, the leading money winner in the 1973-74 of the Florida PGA Club Tour, Craig Stadler, 1973 U. S. Amateur winner, Wren Lum, former Troy State golfer from Mobile, and Steve Verlatto, runner up in this year's Atlanta Classic.
